Re: *Cando and Valencia v. Michigan Logistics Inc., et al.*  
Case No. 13-cv-4369

Dear Judge Ross:

By their filing dated March 21, 2014, Plaintiffs in the above matter have purported to accept the Defendants' Offer of Judgment. However, the Offer of Judgment required that the acceptance be in "full and final settlement of all Plaintiffs' federal claims against all Defendants arising out of or relating to, the facts and transactions alleged in the above captioned action." (emphasis added) Plaintiffs' purported reservation of rights of their federal claims against the Parts Authority Defendants does not meet the terms of the Offer of Judgment. As a result, Plaintiffs' purported acceptance of the Rule 68 Offer of judgment dated March 13, 2014 should be deemed null and void. It is my understanding that this defect has been brought to Mr. Lee's attention.

Very truly yours,

s/ Sharon P. Stiller
